

The drawing is a technical plan view of a road intersection and surrounding area. It shows a complex network of roads, including a main road running horizontally across the middle and several intersecting roads. Key features include:

- Intersection Details:** A central intersection with a circular feature, possibly a roundabout or a large manhole cover, surrounded by various road markings and dimensions.
- Buildings and Structures:** Several buildings are depicted, including a large one on the left labeled 'm2' and another on the right labeled 'm2'. There are also smaller structures and utility poles.
- Infrastructure:** The drawing shows various infrastructure elements such as sidewalks, curbs, and utility lines. Dimensions and coordinates are provided for many points along the roads.
- Annotations:** Numerous text annotations are scattered throughout the drawing, providing specific data points and labels. Examples include 'KŁK 0+035.32', 'R=70.0 m', 'Y=5866086.62', and 'X=8400622.79'.
- Legend:** A legend is located in the upper right corner, defining symbols for 'KŁK' (road intersection) and 'R' (radius).
- Orientation:** The drawing is oriented with North at the top, as indicated by the 'N' symbol in the upper right.
